ABOUT JOBSOHIO

The State of Ohio is rapidly attracting the critical mass of infrastructure and leading-edge technology to fuel an unstoppable chain reaction of growth and expansion in the years to come. This powerful economic trend, accelerated by State investments and incentives, promises to establish Ohio as a new center of gravity for innovators and entrepreneurs seeking to build America's next-generation, digitally enabled economy.

JobsOhio, the State's unique privatized economic development corporation, acts as a catalyst for high-growth business investments and job creation that are helping propel the State's ingenuity and ambitions forward. Founded 10 years ago, JobsOhio is a first-of-its-kind, state-authorized, non-profit built with the stable financial resources, seasoned private sector expertise and long-term investment outlook needed to attract and expand businesses, payrolls, and career opportunities across the State.

JobsOhio's programs and job-ready facilities empower world-class corporations, entrepreneurs, and talented individuals to build their businesses and careers in Ohio. We collaborate with Ohio's regional economic development organizations, academic institutions, federal installations, and business sector organizations to deliver comprehensive programs and investment initiatives that incubate transformative innovations, enable sustainable economic growth and enhance the quality of life for Ohioans through the power and dignity of work.

UNIQUE FUNDING MODEL

JobsOhio is privatized and self-funded. We use zero tax dollars.

- JobsOhio is a private nonprofit corporation wholly funded by an independent private source – the profits from the JobsOhio Beverage System (JOBS) liquor enterprise – that JobsOhio purchased in 2013 and manages today.
- JOBS liquor profits provide a stable funding source which allows JobsOhio to utilize a longer-term horizon for funding economic development activities.

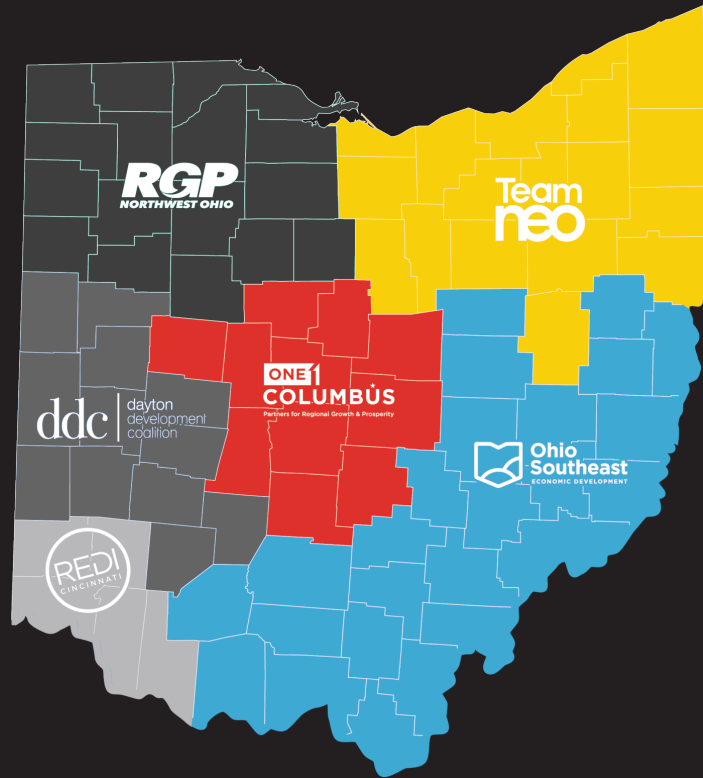

Breaking Down JobsOhio Funding

ACCOUNTABILITY & TRANSPARENCY

JobsOhio is dedicated to the success of Ohio and the companies that invest in the State.

- JobsOhio maintains the highest standards of accountability, transparency, ethical conduct and responsible business practices.
- Complete public reporting of how JobsOhio spends private dollars to attract and retain business investments and jobs is available on the JobsOhio website.

A COLLABORATIVE NETWORK

JobsOhio Mission

JobsOhio exists to empower world-class corporations, entrepreneurs, and talented individuals to build their businesses and careers in Ohio. Our advocacy and investments in partnership with the State enable sustainable economic growth and a better quality of life for all Ohioans through the power and dignity of work.

One Mission, One State

JobsOhio and our six regional economic development partner organizations work together with local elected and non-elected economic development officials to identify business needs and solutions that lead to new investments for economic revitalization. Together, these state, regional and local partners drive economic development and thriving communities throughout Ohio.
